

## **Lab Exercise-8**

### **Mobile and Application Development Lab**

- (1) Make an app to control audio playing through seekbar and also give provision to control the volume of the audio.
- (2) Make a simple application to Log countdown timer.
- (3) Make an application where an image of a rocket is bearing a countdown timer. The countdown can be adjusted using a seekbar. Once the countdown is set, the countdown starts. When the countdown finishes, a siren honks.
